

CULTURAL COMPETENCY IN DIABETES CARE

Satellite Conference and Live Webcast

Thursday, March 11, 2010 1:00-3:00 p.m. (Central Time)
2:00-4:00 p.m. (Eastern) 12:00-2:00 p.m. (Mountain)
11:00 a.m.-1:00 p.m. (Pacific)

It is well documented in minority populations such as African Americans, Native Americans, Asian Americans, and Latinos that these individuals have higher incidences of chronic disease, mortality, and poor health outcomes. This program will attempt to address some of the barriers to quality health care in these populations. We will also explore several innovative ways some communities are addressing the inequalities.

FACULTY

Amparo Gonzalez, RN, BSN, CDE

Program Director

Emory University Diabetes Education

2008 American Association of Diabetes Educators President

Jewel Halanych, MD, MPH

Assistant Professor of Medicine

Division of Preventive Medicine

UAB Minority Health and Research Center

UAB Health Center

Montgomery, AL
